COVID-19 Update (3/22/20)

Tomorrow we will be starting our Distance Learning Program for the Somers Public Schools students. The staff began planning for this in early March. We are in a great place. I am very proud of the entire staff for their professionalism, leadership, and dedication to our children. The Principals of each school will be sending out a message tomorrow morning.

I also want to thank the parents. Your understanding and collaboration with us have made this difficult situation more manageable.

We have posted all the COVID-19 updates on our website along with other informational and educational resources. Please visit it frequently.

I wish you and you and your families good health and safety during this time of uncertainty.

Thank you.
